

# KITCHENER ELEMENTARY

## BOOK SWAP - FRIDAY, MARCH 3, 2017

One of our school goals is Reading. In support of that goal, the Kitchener PAC will be holding the much anticipated annual book swap on March 3, 2017 from 12:40 to 2:40 in the Big Gym.

At this time we ask that if you have any gently used books you would like to donate to the book swap event, please have your child bring them to their classroom collection box by March 1, 2017.

All students will have the chance to pick up new reading material regardless if they bring in books to swap or not.

It's a great reason to get a head start on your spring cleaning so please go through your library and donate those books that you are no longer reading or in need of.

We thank you for all book donations made!

The Kitchener PAC
